Turner Peirson Cleaning Services is a cleaning company that is focused on the business of commercial and industrial contract cleaning. We offer a comprehensive range of cleaning services, both interior and exterior on a permanent or once-off basis.

We will assess your cleaning needs, and based on your unique requirements and budget, we can tailor a solution to suit your company's cleaning needs. We specialize in cleaning of retail spaces across South Africa.

Turner Peirson Cleaning Services can make any floor and surface shine! Our specialty lies in the stripping and sealing of vinyl floors and the maintenance thereof. We also seal and maintain polished concrete floors, porcelain, slate or any floor coverings.

All the cleaning products that we use, are of top quality, SABS approved, all food grade, and 'green' wherever possible and are sourced from reputable companies. We take pride in our professionalism and top service levels and our aim is to leave each premise we clean, in sparkling, tip-top condition. Our highly trained staff can assist with any cleaning requirements.
